## NorthGate Recognized as 2024 Overdrive Award Winner by General Motors

PHOENIX, April 8, 2025 - Today, General Motors presented NorthGate with a 2024 Overdrive Award at GM's 33<sup>rd</sup> annual Supplier of the Year event in Phoenix, Arizona.

"NorthGate is honored to receive this prestigious GM SOTY Overdrive award. It is a testament to our commitment to excellence in service, strategic partnerships, and our mission to "Bless People." This achievement fuels our resolve to expand our impact, further positioning Be Ready Enrichment Services as a leader in industry innovation, workforce development, and personal/professional enrichment." - *George Wilkinson, Fractional CEO*

GM's Supplier of the Year awards recognizes global suppliers for their execution across key categories like safety, innovation and resilience. A global cross-functional team makes award selections based not only on an organization's performance across 2024, but also their alignment to GM's core values and ambitious goals.

Overdrive awardees are among a select few suppliers who consistently exceed expectations and demonstrate ingenuity and resilience.

"For more than 30 years, General Motors has recognized the company's top global suppliers at our annual event, spotlighting their innovation and resiliency through even the most challenging circumstances," said Jeff Morrison, global chief procurement officer at GM. "Together, we're helping bring advanced technology and the industry's broadest portfolio of vehicles to market for GM customers."

This year, 92 suppliers across 12 countries made GM's 2024 Supplier of the Year list. For more information, visit [news.gm.com](https://news.gm.com).
